

Rediscover Peace

Dear Friend of The Abbey,

1. You already know that the Abbey is a beautiful and holy place.
2. There are many areas of the Abbey that require structural attention. The following have been identified as in most need of repair:

- Bell tower has significant water and infrastructure damage
- Lintels above the doors & windows are cracked/leaking
- Window caulking has gaps and areas where the caulk is falling out, leaving the windows susceptible to water/ice damage

3. A \$100,000 "Abbey Tuckpointing Phase #1 Campaign" has been created to fund the first phase of repairs listed above.

Would you prayerfully consider joining us to keep the Abbey structurally sound--in protecting both this holy place, as well as the holy people who seek God as guests of the Abbey?

4. We are so grateful for your response in helping to maintain and grow the Abbey's mission. Thank you for your continued support! May God bless you!

WAYS TO DONATE:

1. Mail self-addressed envelope included in this letter
2. Visit www.abbeyofthehills.org/donate and give online
3. Call 605-398-6200 and make a secure donation over the phone

Through your financial gift and prayers, may you "rediscover peace" knowing the impact it will have on many for years to come.

Peace,
